

**Media Release**  
**Embargoed until Thursday 5th October**

## **Fundraising group 'Air Barb's Crew' to host High Tea in support of The Mary Potter Foundation**

**Air Barb's Crew** is a group of dedicated volunteers who host spectacular fundraising events throughout the year in support of **The Mary Potter Foundation**.

Made up of Tony, Juliann, Bec and Sara Andriani and their family and friends, in memory of their Wife, Mum, Sister, Aunt and Friend, Barbara, who spent a short time in **Mary Potter Hospice** at the end of her cancer journey.

Their upcoming event is **Barbara's High Tea** - set to be an afternoon of good food, great company, raffles, auctions, and giveaways on the day.

**Barbara's High Tea** will be held on **Sunday 22 October 2023** at the newly renovated **Arkaba Hotel**.

All proceeds from the event will be donated to **The Mary Potter Foundation**, helping to ensure every South Australian has access to exceptional palliative and end-of-life care.

Tickets are just \$60 (+ booking fee) and available until **Sunday 15th October** on Sticky Tickets (via link below) or by contacting Juliann on 0407 394 334.

Thanks to supporters like **Air Barbs Crew**, **The Mary Potter Foundation** can bring compassionate care and loving support to palliative patients and their families.

**Air Barb's Crew** is in its 5<sup>th</sup> year of fundraising for **The Mary Potter Foundation** and their hope is that this event will see their total fundraising efforts reach well over \$20,000.

Since 1987, **The Mary Potter Foundation** has supported **Mary Potter Hospice** in becoming one of the most important and highly regarded providers of in-patient palliative and end-of-life care in South Australia.

Hundreds of patients and their families every year are so grateful for the compassion, dignity, and love that the Hospice team brings into their lives.

**The Mary Potter Foundation** has been privileged to play a part, through community support, to ensure that care is there every day it is needed and that the facilities, along with staff skills and knowledge are continually improved to provide the best possible environment and standard of care for everyone.
